

# 6W LED Single Frame Light

Model: LDL-GIM1-SI

## DIMENSIONS

- Flange 110mm Square
- Hole Cut: 95mm x 95mm
- Cavity depth: 150
- Side clearance: 20

## TECHNICAL DATA

Total lumens: 540  
Colour temp: 3,000K  
Power supply: 220-240V, Double Insulated  
Dimmable: Yes  
CRI: 80  
Wattage: 6  
Beam angle: 30°  
Control gear: Included

## FEATURES

- The double axis gimble design provides a precise control of light beam direction, ideal for wall washing, accent or display Lighting
- Double Insulated
- Full metal case provides forward heat-sinking

## SPECIFICATIONS

IC  
Material: Metal  
Number of lamps: 1  
Air / Moisture Transfer: Closed  
Technology field: LED  
Indoor / Outdoor: Indoor  
Mounting type: Ceiling, Recessed  
Colour: Silver/Grey
